⁴ Represents the lowest point of the debt at the end of any month following World War II. The lowest point of the debt on any day following that war was on June 27, 1949, when the debt was as follows:

Direct debt (gross)	\$251,245,889,059.02
Guaranteed debt (not including obligations owned by the Treasury)	23,876,001.12
Total direct and guaranteed debt	251,269,765,060.14

¹ Redeemable at the option of the United States on and after dates indicated, except where otherwise stated. In case of Treasury bonds and Treasury bonds, Investment Series B-1975-80, now outstanding, such bonds may be redeemed only on interest dates, and 4 months' notice of redemption must be given.

² Treasury bills are non-interest-bearing and are sold on a discount basis with competitive bids for each issue. The average sale price of these series gives an approximate yield on a bank discount basis (360 days a year) as above indicated. This yield differs slightly from the yield on a true discount basis (365 days a year) which is shown in the summary on page 5.

³ Includes exchanges made by the Federal Reserve System of \$1,000,000,000 of Treasury bonds, Investment Series B-1975-80 for Treasury Notes of Series EA-1956, \$500,000,000 each for Treasury Notes of Series EO-1956 and EA-1957, and \$713,848,000 for Treasury Notes of Series EO-1957.

⁴ Arranged according to earliest call dates.

⁵ Redeemable, at par and accrued interest, to date of payment, at any time upon the death of the owner at the option of the duly constituted representative of the deceased owner's estate, provided entire proceeds of redemption are applied to payment of Federal estate taxes due from deceased owner's estate.

⁶ The face value of United States savings bonds of Series F or G and Treasury Savings Notes of any yearly series maturing from month to month which are not currently presented for retirement will continue to be reflected as interest-bearing debt until all the bonds or notes of the series have matured. Thereafter, the total amount outstanding is reflected as matured debt on which interest has ceased.

⁷ Approximate yield if held to maturity.

⁸ Redeemable in payment of Federal income, estate, or gift taxes at any time after 2 months from issue date. Redeemable for cash at option of owner at any time after 4 months from issue date.

⁹ Interest is payable with principal at time of redemption. No interest is payable if note is inscribed in the name of a bank that accepts demand deposits, unless note is acquired by such bank through forfeiture of a loan.

¹⁰ Amounts issued and retired for Series E, F, and J include accrued discount; amounts outstanding are stated at current redemption values. Amounts issued, retired, and outstanding for Series G, H, and K are stated at par value.

¹¹ Approximate yield if held from issue date to end of 10-year extension period.

¹² If held from issue date to end of 10-year extension period, bonds of this series dated January 1, 1942, through April 1, 1942, yield approximately 2.9 percent and those dated May 1, 1942, through December 1, 1942, yield approximately 2.95 percent.

¹³ Matured bonds of this series yield approximately 2.95 percent if held from issue date to end of 10-year extension period, and unmatured bonds of this series yield approximately 2.9 percent if held to maturity.

¹⁴ Owners have the option of retaining the matured bonds for a further 10-year period and earning interest upon maturity values thereof. During this additional 10-year period interest on bonds bearing issue dates of May 1, 1941, through April 1, 1942, will accrue at the rate of $2\frac{1}{2}$ percent simple interest each year for the first $7\frac{1}{2}$ years, and then increase for the remaining $2\frac{1}{2}$ years to bring the aggregate interest return to approximately 2.9 percent, compounded semiannually. On bonds bearing issue date of May 1, 1942, and subsequent dates, interest will accrue after maturity at the rate of approximately 3 percent per annum, compounded semiannually, for each half-year period of the extension period. Matured Series E bonds in amounts of \$500 (maturity value), or multiples thereof, may be exchanged for Series K bonds (Treasury Department Circular 906, April 29, 1952).

¹⁵ Excess of redemptions, not yet classified by yearly series, deduct.

¹⁶ May be exchanged at option of owner for marketable $1\frac{1}{2}$ percent 5-year Treasury notes, dated Apr. 1 and Oct. 1 next preceding the date of exchange.

¹⁷ Issued pursuant to the provisions of the Bretton Woods Agreements Act, approved July 31, 1945, and under the authority of and subject to the provisions of the Second Liberty Bond Act, as amended. The notes are non-negotiable, bear no interest, and are payable on demand.

TAX STATUS:

^c Any income derived from Treasury bills of this issue, whether interest or gain from their sale or other disposition does not have any exemption, as such, and loss from the sale or other disposition of any such bills does not have any special treatment, as such, under the Internal Revenue Code or laws amendatory or supplementary thereto. The bills are subject to estate, inheritance, gift, or other excise taxes, whether Federal or State, but are exempt from all taxation now or hereafter imposed on the principal or interest thereof by any State, or any of the possessions of the United States, or by any local taxing authority. The securities are subject to estate, inheritance, gift, or other excise taxes, whether Federal or State, but are exempt from all taxation now or hereafter imposed on the principal or interest thereof by any State, or any of the possessions of the United States, or by any local taxing authority. The following is applicable to savings bonds only: For the purposes of taxation any increment in value of savings bonds represented by the difference between the price paid and the redemption value received (whether at or before maturity) shall be considered as interest.

Attention is invited to Treasury Decision 4550 ruling that bonds, notes, bills, and certificates of indebtedness of the Federal Government or its agencies, and the interest thereon, are not exempt from the gift tax.
